Hello! Usami here

We haven't seen each other for so long! It's been a full year since the first volume was published. I'm really sorry for having made you wait.

I received many letters asking me when the second volume would be out. I was overwhelmed by gratitude and guilt.

This story ran in a bimonthly special edition magazine and overlapped with another series that I was doing for the main magazine. I even put this on hold for one issue of the bimonthly. Collecting enough material for one volume also takes time.

To those who have been waiting, you'll make me very happy by enjoying this volume. I especially did an omake manga at the end of the book. Please enjoy that, too!

VISIT ONDA-SAN?

YOU DON'T NEED TO BOTHER ABOUT HIM.

THERE'S THAT CASE OF ONOZUKA'S IN THE OTHER SCHOOL TOO.
MY MOM SAID THAT THE PARENTS AND GUARDIANS ARE GETTING TENSED UP OVER THIS
KANAE?

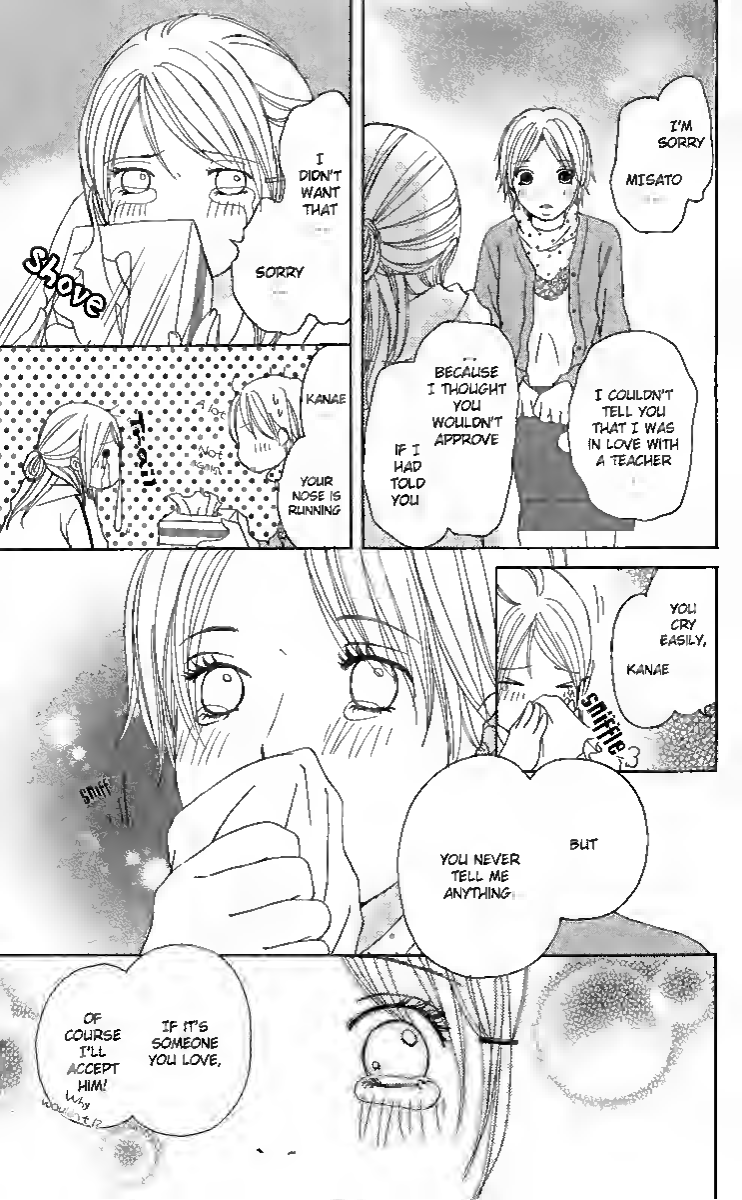
KANAE?
WHAT
WHAT COULD I DO TO PROTECT HIM?
WHEN I WAS HAVING THE WORST TIME OF MY LIFE...
I COULD ONLY GO ON
BECAUSE EIJI WAS THERE...
FOR ME...

He protected me.
But...
...I...

Even when we first met,
I could embrace myself only because Eiji was there for me.

Eiji reached out...
...to help me.

...couldn't do anything...
...for him...
WHAT SHOULD I DO?
I want to help him right away,
but I can't even move.
KANAE



I'M SORRY

Yuusuke

YOU'RE SAYING IT WASN'T KANAE?
I AM AWARE OF THAT
I SEE NEVERTHELESS
THINGS DO NOT REST AT THAT

I WILL TAKE THE BLAME FOR CAUSING THE UPROAR...
...BY RESIGNING FROM MY POST.
Eiji,
tell me it's not true.

Although Seikai wa Happy de Dekiteru was my first long-term (?) series, I stayed with it for a long time because it was serialized bi-monthly. Perhaps that's the reason I grew attached to the characters.

Of all kinds of girls, girls like Kanae were the easiest to draw. Her face and body were roundish. Her personality too because she's too simple. Eiji was also easy to draw. Being able to write the story from his perspective from time to time was an enjoyable experience.

Yasuki (the glasses guy) came into life on his own with the most ease. He was originally meant to appear for a short time only, but as I drew him, he became more interesting as a character. That's why he also appeared in the later chapters. Since he displaced Yuusuke, who was supposed to have the bigger role. Yasuki is not a character to be taken lightly.

Epilogue The Rich Girl Runs Away ✱The End✱ from Home

For the epilogue, I also came up with other stories such as their honeymoon, Kanae's life as a newly married wife, and so on, that I wanted to draw. Still, I'm glad I could conclude it rather nicely.

I'd like to thank those who have been supporting me, those who have been assisting me and those who have taken part in the making of this story. I'd also like to thank Team Konsai, my family and friends. I love you all!

I will do my best for my future works, too!!
